

# SANCTITY OF HUMAN LIFE SUNDAY

*“Do not be overcome by evil, but overcome evil with good.”*

**Romans 12:21 (ESV)**

Thirty-nine years have passed since the infamous Roe v. Wade decision that made abortion legal in our land. Thirty-nine years have passed and the lives of over fifty million babies have been lost. When will it stop?

The truth of the matter is – we don’t know! But now is not the time to become weary of the battle – now is not the time to give up!! Even though the laws of our land continue to uphold a woman’s right to choose – we can still reach out to those facing unplanned pregnancies and, through God’s grace, help them to choose life for their babies. Proverbs 31:8 urges us to open our mouths for the speechless, in the cause of all who are appointed to die. The unborn have no voice but ours – we must continue to fight for them.

The evil of abortion has not only taken the innocent lives of the unborn but it has also devastated the lives of millions of men and women who have opted to make that decision. Someone needs to let those who have been wounded by abortion know that they can find forgiveness and be set free through the shed blood of Jesus Christ.

That is what New Hope is all about – saving the lives of the unborn and reaching out with the love of Jesus to those who have experienced an abortion in their past. God’s Word commands us: *“Do not be overcome with evil, but overcome evil with good.”* The battle against abortion will only be won, one life at a time. Thank you for standing with us in this battle – and for prayerfully lifting us up as we seek to serve in Jesus’ name.
